FOR IMMEDIATE RELEASE

Camburg's Heidi Steele Dominates BITD & SCORE in 2008!

Huntington Beach, CA – Camburg racer Heidi Steele, finished 2nd in the SCORE Baja 1000 but more importantly won the SCORE Class 7SX Championship for 2008 and at this past weekend's BITD Henderson Desert Classic pulled off a 3rd place finish in 7100 that clinched the BITD Championship as well.

For 2008 Heidi Steele and team set forth to contend their Ford Ranger in both BITD and SCORE organizations. With a lot of hard work & determination, consistent results and multiple wins, Heidi was able to win the Championship in both race series. Heidi is also the first female racer to win a BITD and SCORE Championship in a truck class, let alone both in the same year.

Expect to see great things from Heidi and her team in 2009 as she defends their titles.

Heidi's Ford Ranger runs Camburg's class 7 racing i-beam front suspension, CRS coil springs, shackles and their 2.25 full-floater rear race hubs.

For more information on Camburg products and race team involvement, check out their websites www.camburg.com and www.camburgracing.com or contact them directly.

###

Camburg Engineering has been building off-road truck suspension systems since 1997 and is at the forefront in technology and innovation.
